Are you hoping to have your reception at Calvary? _____
(Please note that Calvary does not host wedding receptions. You will have to provide your own caterer, and work with the wedding coordinator to complete arrangements.)

Are you interested in considering membership at Calvary? _____

The wedding service at Calvary Lutheran Church is first and foremost a worship service. All persons involved in and invited to the wedding should be able to conduct themselves in a way that shows reverence for God and that is appropriate to a house of worship.

We, the bride and groom, acknowledge that we have received and read the *Wedding Guidebook*. If our wedding is scheduled, we agree to abide by Guidebook policies and guidelines. We understand that this includes some form of marriage preparation work, as agreed to with the Pastor. We also agree to attend wedding planning sessions as prescribed by the Pastor. We take responsibility for our behavior and that of our guests. We agree, when the wedding is scheduled, to make a deposit according to the *Wedding Guidebook*. In the case of wedding cancellation, this deposit will be fully refundable.
